

Brown County Indiana

An "En Plein Air " Painting Trip, May 1-4, 2018

Join us for a fun and exciting outdoor workshop in Indiana's Brown County . We will be returning to and staying in Nashville, Ind. (1 Hour south of Indianapolis). Search "Nashville, Ind. Hotels or Brown County State Park" for lodging info. (Rsrv. from April 30th to May 3rd or 4th). Nashville has many shops, galleries and restaurants. As always, spouses and non-painting guests are always welcome.

This will be our 4th visit to Brown County—always an exciting painting trip. By painting there during the week, we avoid the weekend crowds. If you would like to stay over extra nights, there is plenty to do in the area...hiking, shopping, painting and relaxing. The natural beauty, a covered bridge, steep hills, a lake, and small hamlets have attracted artists for decades. We will paint at the nearby studio/grounds of renowned Indiana Impressionist T.C. Steele, in and around the State Park and at the crossroads of Bean Blossom and Story, Ind.

The cost for the 4 day workshop portion with lots of individual instruction and demonstrations, is \$300...recommendations for supplies for your medium will be available

upon registration. " I feel this is a great opportunity to be outdoors (avg. May temp is in 70's) with painting friends at this time of the year.

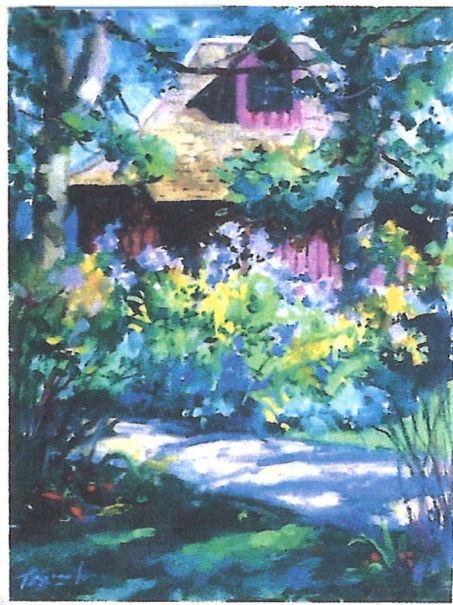

Looking forward to traveling and painting with you."
